

GuideStone Funds Equity Index Instl (GEQYX)

As of: 03/31/2024

Fund Objective

The investment seeks to provide investment results approximating the aggregate price and dividend performance of the securities included in the S&P 500® Index. The fund will invest substantially all, and normally at least 80% of its total assets, in the equity securities (primarily common stocks and stock index derivatives) included in the S&P 500® Index, in weightings that approximate the relative composition of the securities contained in the S&P 500® Index. It may invest to a lesser extent in derivative instruments, including exchange listed options, futures and swap agreements.

Performance data quoted represents past performance. Past performance does not guarantee future results. Investment return and principal value will fluctuate so that an investor's shares, when redeemed, may be worth more or less than their original cost. Current performance may be lower or higher than the performance quoted. To obtain current month-end performance information, please contact your plan advisor.
